MILTON KEYNES FESTIVAL OF THE ARTS

for Dance, Music and Drama

Registered charity number 293601

Affiliated to the British and International Federation of Festivals for
Dance, Music and Drama of which Her Majesty the Queen is Patron

Welcome to our 2022 Festival

Our 2022 festival for dance, music and drama was this year delivered live and in total we saw over 3,500 performers at our festival events in February and March.

We would like to thank all the performers, parents and teachers who made this possible and supported the festival following an unprecedented two years of lockdown, when we all needed a bit of normality to our lives and a focus for our artistic endeavours.

Performers, parents and teachers tell us that they were thrilled to be continuing with the festival and offering a diversion from home schooling and banana bread !

We are privileged to have the continued sponsorship by Kawai Pianos who donate several of their beautiful concert grand and upright pianos to our music festival for our performers' use and we are grateful to Neil and his team for their generous support. Without their ongoing patronage the festival would not be able to accept as many piano entrants as we do (over 400 performances in 2022) so we are ever grateful for their kindness and generosity.

Thanks must also go to the army of friendly and hard-working volunteer stewards, without whom the festival would not happen and we looked forward to all meeting up again in person at this festival.

Please help our festival to grow by telling colleagues and friends about it. We warmly welcome new entrants of all ages and levels of experience from all over the country, not just Milton Keynes. In addition, we would love to see more schools taking part in orchestral, choirs and ensembles sections.

Our website and Facebook page are good sources of information but as always do contact us if you need further information and do enjoy today's Young Musician of the Year performances.

Best wishes
